## What is the Duke of Edinburgh's Hillary Award and why should I get involved?

The concept of the Duke of Edinburgh's Hillary Award (the Award) is simple – anyone aged 14 to 24 can do a programme at one of three progressive levels which, when successfully completed, lead to a Bronze, Silver or Gold Award.

Because Award programmes are all about getting out there, having fun and self-development, everyone can achieve something. You'll find yourself helping people or the community, getting fitter, developing skills, going on an adventurous journey and at Gold level only, taking part in a residential activity.

## What do I need to do to achieve my Duke of Edinburgh's Hillary Award?

The programme is made up of four sections (five at Gold). Over the required time you'll need to do each activity for an average of an hour a week. You'll need to show persistence, commitment and personal development.

### Bronze (14+ years old)

To achieve your Bronze Award, you need to complete the following sections:

Voluntary Service	Physical	Skills	Adventurous Journey
3 months	3 months	3 months	Plan, train for and complete a 2 day, 1 night adventurous journey
You must also undertake a <b>further</b> three months of appropriate activity in either the Voluntary Service, Physical or Skills section			

### Silver (15+ years old)

To achieve your Silver Award, you need to complete the following sections:

Voluntary Service	Physical	Skills	Adventurous Journey
6 months	6 months	6 months	Plan, train for and complete a 3 day, 2 night adventurous journey
If you have not completed your Bronze Award, you must undertake a <b>further</b> six months of appropriate activity in either the Voluntary Service, Physical or Skills section			If you have not completed your Bronze Award, you must first complete your Bronze Adventurous Journey training and Bronze practice journey

### Gold (16+ years old)

To achieve your Gold Award, you need to complete the following sections:

Voluntary Service	Physical	Skills	Adventurous Journey	Gold Residential Project
12 months	12 months	12 months	Plan, train for and complete a 4 day, 3 night adventurous journey	Undertake a shared activity in a residential setting away from home for 5 days and 4 nights
If you have not completed your Silver Award, you must undertake a <b>further</b> six months of appropriate activity in either the Voluntary Service, Physical or Skills section			If you are a Direct Entrant Gold, you must first complete your Bronze and then your Silver Adventurous Journey training and practice journey	

## Choosing activities

There are a lot of activities you may already be doing that can count towards your Award. Here are a few examples to help get you started:

**Voluntary Service:** Volunteer at a local DOC site, volunteer with a charity service, coach or manage a sports team, fundraise for a charity, volunteer at the SPCA, become a leader at a youth club, help with an emergency services team such as surf lifesaving

**Physical:** do a team sport such as soccer or netball, athletics, skiing, kayaking, kickboxing, horse riding here at Kāpiti Equestrian & Vaulting Centre, running, dancing

**Skills:** play a musical instrument, learn a craft such as jewellery making, referee or umpire for a sport, learn sign language, drama and theatre skills

**Adventurous Journey:** this is something you will plan for; it involves being part of a team and completing an adventurous journey for a set number of days. We offer excellent courses for participants to complete this part of their Award.

**Gold Residential Project (Gold Award only):** attend a residential programme for five days and four nights with people you don't know and undertake purposeful activity – e.g., NZ Business Week Brave Thinkers, helping at a youth camp, cookery course, sailing course

## NZ Business Week Brave Thinkers

New Zealand Business Week is about building Brave Business Leaders. It's fun, it's challenging and it's for anyone that's ever been interested in business or had a business idea. During the intensive one-week programme, students are encouraged to be bold in their thinking, they will learn about new business models, meet other businesspeople and combine academic learning with business decision making. By forming a virtual company, they will make decisions about marketing, personnel and production in order to develop and grow a successful business. The week has a strong emphasis on personal development - confidence, leadership, teamwork - and includes an extensive, supervised, social programme. Students will have fun, meet new people, develop new skills and learn about business from their own discovery and from people who are out there doing it.

### Why should you attend:

- You will hear first-hand from national and international businesses people, their start up stories, their challenges, and advice. You will gain an insight into the modern-day business environment
- You will be inspired
- You will have fun meet life-long friends and build future networks and relationships.
- You will learn about yourself, what makes you tick and how to work within a team.
