The parent can then pay for the registration.

The Duke of Edinburgh's International Award Aote...

The screenshot shows the PayPal checkout page. At the top left is the PayPal logo. To its right is a shopping cart icon with the text "\$89.18 NZD". Below the logo is the heading "Pay with debit or credit card" and a sub-heading "We don't share your financial details with the merchant." On the right side, there is a graphic of a shield over shopping bags with the text "PayPal is the safer, faster way to pay" and "No matter where you shop, we help keep your financial information more secure." The form includes a "Country" dropdown menu set to "New Zealand", a row of card logos (MasterCard, VISA, American Express, Discover), and input fields for "Card number", "Expires", "CVV", "First name" (filled with "Jessica"), and "Last name" (filled with "Test"). Below these is the "Billing address" section with fields for "Address line 1", "Address line 2", "City / Suburb", and "Postal code". At the bottom of the form is a checked checkbox labeled "Ship to my billing address".

If the parent does not pay at this point, next time the participant tried to log in they will get a message saying **Payment Not Complete**. They can then click on **Pay Now** which will take them back to the PayPal Gateway.
