

The Duke of Edinburgh's Hillary Award and Outward Bound

Congratulations on furthering your Award journey. Please refer to The Duke of Edinburgh's Hillary Award Outward Bound website page to see what your course can be credited towards. The course certificate you received on the last day of your course will provide evidence of course completion and replace the need for a separate assessor report.

Follow this how to guide to accredit your course.

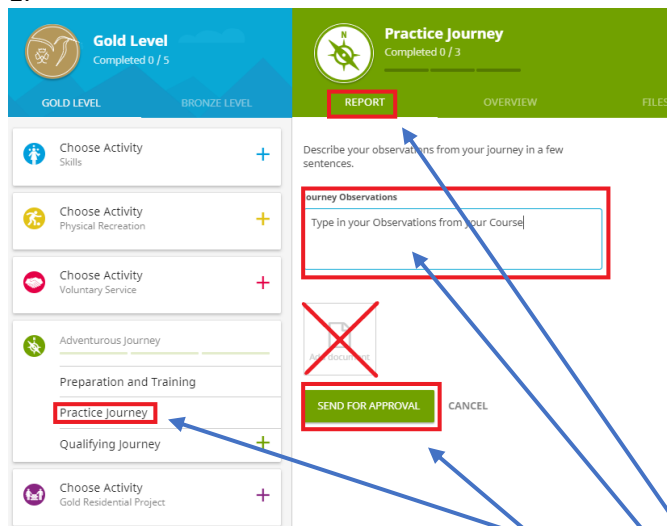

Next Steps:

Scan or photograph the certificate you received on your Outward Bound course.

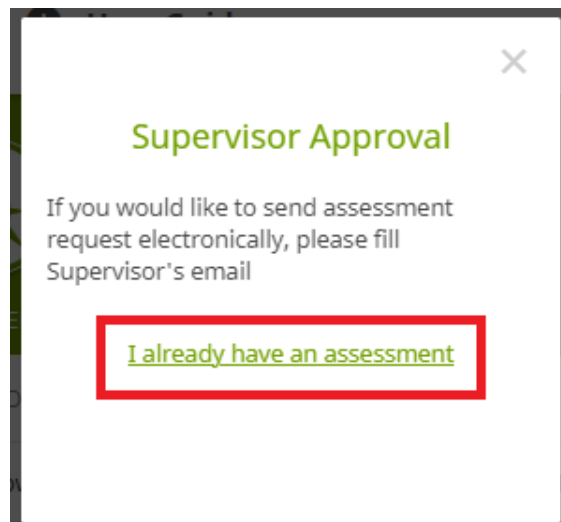

Upload the pdf or jpeg (20MB maximum) as your assessor report to the relevant sections on your ORB record. See screenshots below as an example on how to do this and if you need clarification, please refer to The Duke of Edinburgh's Hillary Award Outward Bound website page.
